Subject: Proposed Thomas Cook sign

Dear Richard,

Thank you for updating us on the recent Parish Council news.

I am interested in the CIL fund of £400. This seems a very welcome contribution to the Parish's finances.

I do not think a sign about the life of Thomas Cook is a reasonable way to spend this money on.

In the last 5 years the village has moved further and further away from the natural environment it once was. The addition of sign after sign seems to be part of the cause.

Just from memory, these spring to mind -

- recreation equipment (risk of use) 2 signs
- rec dog fouling (instruction) 2 signs
- duckpond (risk) sign
- new Barrowden (name) sign
- rec tree nursery (memorial) signs
- speed bump signs
- traffic calming sign

Could the money be used for the village hall / shop development or cricket club access?
