

Email of 1 September from LRALC

Subject: IMPORTANT: LRALC AGM Notice - Saturday 18th September 2021 10am-1pm

Dear member councils,

A reminder that LRALC's AGM is approaching on **Saturday 18th September** with registration from 9.30am for a 10.00am start. Please note that this is a totally separate event to the LCC event taking place on the afternoon of the same day (details for that event are [here](#)).

This year the AGM will take place virtually, with the 2022 AGM likely to be a physical event again. However, unlike our very basic 2020 AGM which only dealt with mandatory core company business, we have invested time and money in making this year's event a far more attractive proposition to both voting members (i.e. the one Cllr each member council nominates to represent their council by voting at the AGM) and also non-voting delegates (officers or Cllrs who wish to attend the event as an "observer").

As well as the business of the AGM there will be presentations from LRALC on current and future services and support available through the Association, updates on current issues facing your councils, and also local and national commercial stall holders who will be promoting and discussing their services and products in break out rooms that interested delegates can choose to join. There will even be prize giveaways! We also hope to have a guest speaker from NALC.

BOOKING ARRANGEMENTS

Please ensure delegates are booked correctly as voting or non-voting delegates:

- LRALC is controlled by its member councils and, as such, it is critical that all councils use their voting rights by sending **one voting representative** to the AGM. Details of voting representatives should be registered with us [here](#) as soon as possible.
- Non-voting delegates should be registered for the event [here](#) as soon as possible.

Papers and joining instructions will be sent prior to the event to all clerks and all registered delegates who have provided a direct email address on the booking form.

Kind Regards,

LRALC
