

Email of 6 July 2021 from Lorna Johnson

Subject: litter picking

Dear BPC,

My son Daniel, 14 is doing the Bronze Duke of Edinburgh through Stamford School and would like to do litter picking in and around the village for his volunteering part of the award....would this be possible please?

He has grabbers and bags and would dispose of any rubbish, aiming to do at least one or two hours per week for 3 months starting mid July.

please let me know your thoughts

kind regards

Lorna Johnson
