28th - Morcott – 2 x theft from work vans parked up in car park.

As part of our ongoing drive to reduce demand did you know that you can report a "NONE EMERGENCY" crime and find lots of useful information on our new improved web site. www.leics.police.uk

As for Burglaries we like to remind you the usual MO is entry via forcing rear garden doors or windows as these areas are isolated and out of sight. Please make sure all doors are locked whether you're in or not, windows are locked and secure and look at your security measures on any lockups, garages, sheds or outbuilding. If you can make it difficult for anyone to get

into the rear garden even better as this is the preferred point of entry for burglars. Preferred items for them to steal is Jewellery and cash so please keep these safe.

As for other vehicle crime, please continue to remove all property – remember **'if you leave it on show it will go'**. Look to park your vehicle in a well-lit area, look to manoeuvre your van to make it difficult to open any side or rear doors. Please remember when you park up the perpetrators could be watching you, so remove your valuables out of site prior to arrival.

We will continue to work closely with the local residents and will alert you as soon as crime is reported and ask that if anything suspicious is seen to report through either 999 or 101.

Parish Meeting: If any parishes would like the beat team to join them please let me know (subject to being on duty).
